

Welcome to Playa Nicuesa Rainforest Lodge

A unique adventure travel destination: lush, green vegetation as far as the eye can see, with leaves as big as elephant ears. Jade colored water. Toucans, monkeys, iguanas, dolphins, majestic blue butterflies – all are here at Playa Nicuesa Rainforest Lodge, a real **Costa Rica Eco Lodge in Golfo Dulce**.

If physical challenge is what you want... it's here. If rest and relaxation is what you need... it's here. And everything in between! We are a destination lodge that offers kayaking, fishing, snorkeling, paddle boarding, rain forest hiking, wildlife viewing, yoga and massage right out our doorstep.

Enjoy the uniquely and beautifully designed main lodge overlooking the rainforest or relax in your private jungle room or cabin. Freshly caught fish, locally grown vegetables, and tropical fruit create an authentic Costa Rican **culinary experience** at our tree-house style restaurant overlooking the lush canopy of trees.

This unique Costa Rica eco lodge is **sensitively designed with the environment** and constructed from naturally fallen trees, recycled materials and harnesses the natural energy from the sun to provide electricity.

What also makes Playa Nicuesa Rainforest Lodge so unique, pristine and private is that the lodge is **accessible only by boat**. Dramatic views of the mountains surrounding the Pacific Coast gulf welcome you to the lodge as you approach by boat. Once you arrive at the lodge, **lose yourself in the tropical paradise that surrounds you, and let the adventure begin!**

Location and Boat Transfers Coordination

The best way to get to Playa Nicuesa Rainforest Lodge is to fly via [Sansa](#) Airlines to either **Puerto Jimenez (PJM)** or **Golfito (GLF)**. Flight time is approximately 45 minutes.

Charter Flights and Land Transportation are also a great options to consider, especially for families or groups.

A secure place to leave the parked car is at the **Marina Bahía Golfito**. The drive time is approximately 5 hours. The road between San Jose and Golfito is well maintained.

Once there, a Nicuesa representative will meet your clients and transport them by our boat across the Golfo Dulce to Playa Nicuesa Rainforest Lodge (the boat ride is approximately 30 minutes).

*Please note that we pick up and drop off at both **GOLFITO** and **PUERTO JIMENEZ**. Both locations are **EQUAL DISTANCE** from the Lodge. Thus, you should feel free to coordinate your clients' arrival/departure to and from either location, **BUT, PLEASE WE KINDLY ASK YOU TO DO SO CONSIDERING OUR PREDEFINED BOAT TRANSFER HOURS.***

3. Children Policy

Playa Nicuesa is a great place for a family vacation, the rainforest and the calm waters of the Golfo Dulce are excellent places for children to learn and participate in nature and sporting activities. We can provide "child-friendly" food and special tours geared towards kids, if needed. Just let us know in advance.

However, small children have limited opportunities. For that reason **a minimum age of 6 years old is required to stay at Playa Nicuesa**. Children between 6 and 12 years of age will pay the specified children rates listed on this document. Children older than 12, will pay full adult rates.

Please remember that we are all nature's guests - in a true tropical rainforest - and there are real/inherent hazards in nature that parents/guardians must be aware of and supervise their children at all times. Playa Nicuesa is a remote and natural location, and electronic games, t.v. and computers are not available so that all guests may enjoy the nature they came to experience.

4. Guides and Tour Leaders

Playa Nicuesa does not offer lodging space for guides and tour leaders. We offer the option for them to stay at the Lodge regular rooms and paid full regular net rate.

Lodge Accommodations

Playa Nicuesa Rainforest Lodge rooms offer privacy and comfort in a natural setting.

The Lodge has five private cabins (three 1-bedroom, one 2-bedroom and one cabin suite), one three-bedroom house and the Mango Guesthouse with four private rooms.

On Room Set Up:

We cannot put three beds in any one room, with the exception of the cabin suite set up as one large room. Please let us know your exact needs.

Room Description and Capacity:

Mango Guest Rooms (4)

The Mango Guest House is a 2 story, jungle-chic structure with 4 private guest rooms. Each room has a private entrance, private bath with open air shower affording jungle views, private terrace, ceiling fans, louvered doors and windows that wrap around the room providing panoramic views. The Mango Guest House is separate from the Main Lodge.

The guest rooms are a great option for all types of travelers. Especially a good choice for friends or families that want to be close, but also have the privacy of their own room with private bathroom. Also great for single travelers or those who are a bit nervous about staying in the jungle, as the mango guest rooms are more in an open area than the private cabins that are tucked into the rainforest. Also great for parties of approximately 6-12 that want to rent all 4 rooms at once.

Each room has one queen size bed (and we can put an additional single bed upon request).

Maximum Occupancy Per Room: 3 people including children

One Bedroom Cabins (3)

These private cabins are tucked into the rainforest and set apart from all other accommodations, affording you a unique feeling of being in an amazing natural setting. Beautifully and uniquely designed, each cabin has hardwood floors, ceiling fans, open air shower-bathroom with amazing rainforest views, wrap around terrace, and louvered doors and windows allowing you panoramic views. The garden open air shower is within the cabin's bathroom, yet allows you to look at nature all around.

Look out for the peeping monkeys!

All cabins have one queen size bed (and we can put an additional single bed upon request).

Maximum Occupancy: 3 people (including children)

Cabin Suite (1)

The Cabin Suite is very private and set apart from all the other accommodations. Beautifully designed, our largest cabin features hardwood floors, ceiling fans, open air shower-bathroom with amazing rainforest views, wrap around terrace, and louvered doors and windows allowing you panoramic views. This cabin also is equipped with a deluxe bathroom with two sinks and our signature garden open air shower that is designed to allow you to look at nature all around.

Plus, this spacious, loft-like accommodation includes a sliding partition that adds flexibility to create 2 large bedrooms when closed or a bedroom with comfortable large sitting area, when open.

This cabin has one queen size bed (and we can put either an additional queen size bed or two additional single beds upon request).

Maximum Occupancy: 4 people (including children)

Two Bedroom Cabin (1)

This is a private cabin much like the single cabins but larger with two bedrooms and a common den that can also be converted for another bedroom. Each cabin has a private entrance, beautiful hardwood floors, private open air shower-bathroom, private terrace, ceiling fans, louver doors and windows that wrap around the room to afford panoramic views of the jungle. The cabin has one large bathroom complete with our signature garden open air shower that is designed to allow you to look at nature all around. The cabin can accommodate up to 5 people. However, we recommend that families with older children or groups of adults that want to be near each other also consider two rooms in the mango guest house. Two rooms in mango guest house will give you more privacy amongst your group and an additional bathroom.

This cabin has one bedroom with a queen size bed and another bedroom with two single beds (we can put an additional single bed in the common den upon request).
