Our shuttle bus will pick you up for a scenic drive from Costa Rica's Central Caribbean side. Upon arrival, our guides will lead you on the Veragua Rainforest Eco-Adventure tour (please refer to the description below).

Veragua Rainforest Eco-Adventure

The tour offers an exhilarating aerial tram ride through the rainforest canopy, along with spectacular walking trails that meander through the primary rainforest. You'll encounter a magnificent natural waterfall, an indoor exhibit featuring diurnal and nocturnal frogs, and a beautiful butterfly garden where you can admire the famous blue morpho butterfly. Additionally, there's an impressive reptile vivarium and a genuine Biological Station, where real biologists and para-taxonomists conduct research as part of our commitment to understanding and protecting the biodiversity of Costa Rica's rainforest.
